## PLEASE NOTE:

# It is very difficult to gauge how busy the course will be between Christmas and New Year. Traditionally it is also a popular time for non-members to play golf. I have therefore instructed the pro shop to allow advance bookings from members up to the 4th January from today. Please take advantage of this extra allowance. Non members can only book 5 days in advance.

# We only have a few places remaining for night golf.... Book today 01525 840252.

# Due to The Turkey Shoot being our most popular event we expect a full clubhouse on Sunday following play. Sunday Carvery will be available from 13:00 to 16:00. We are not reserving tables due to shortage of space. If we could ask those that are staying for food to inform the bar, enabling us to cater appropriately. In previous years the presentation has started around 14:00.

# Carverys will re-commence on the 10th January 2016.....

# This Thursday is the last late night Kitchen in December, we will re-open for Thursday night business on the 21st January.

# Please see Emma or Rob to reserve your place at the next Thali ( Curry ) Night. This is back due to popular demand, spaces are limited and expected to sell out fast..... THALI NIGHT = Friday 15th January. 2016.

### **Points of interest:**

- Could I remind members that their choice of language in the bar and restaurant area should be appropriate for all present. We are all proud of our friendly and welcoming atmosphere, please do not spoil our reputation.

- Please look out for a members survey during January. As a committee we believe that investment in the club so far has been well directed, with continued investment planned, we would like to canvas the views of our membership to ensure we share the same vision.

- Please take the long route when climbing the hill on the 1st hole!! If you are carrying your bag then please proceed straight up, however, if using a trolley or buggy, please head towards the 17th hole, before doubling back, following the signed route.

- Winter League Round 5 was played yesterday in damp, cold,

difficult conditions. Another well supported event, thank you all! The tricky conditions didn't suit the league leaders, who slipped to a low 30's score. It had nothing to do with the recent handicap adjustment! It must have been the conditions, even the pros struggled..... Un-official at present but circulating rumours have awarded week 5 to Andy Teague and Adam Smith with 43 points.... full result to follow tomorrow or Wednesday.

- Did you know that all editions of Millbrook Matters are available through the club latest tab on the website.
