## **What's been happening?**

- Our Mens scratch foursomes team continued their unbeaten run with a win at home against John O'Gaunt. Well played guys.

- Our Seniors winter scratch team have just started an unbeaten run, drawing at home to JohnO'Gaunt last Friday... well played team!! ( it should be noted that our seniors scratch team has an average handicap of around 12, most of the teams we play against have an average handicap of around 5 to 7 ) keep it going guys!!

- The mild weather experienced recently means we are still cutting all areas of the course, this unfortunately delays our proposed start date for winter projects.

- The recent drainage work carried out on holes 6, 7, 10 and 11 is paying dividends, following torrential rain on Saturday the greens were in good condition on Sunday morning.

- The Sunday carverys are proving very popular, long may it continue! Thank you for your continued support.

- We are preparing a full calendar of social events for 2016, starting with a quiz during December 2015. If you have any ideas or preferences please let Emma know. We will advertise dates during December. Our current list includes: Quiz night, Bingo night, Night Golf followed by food, Casino Night, Texas Scramble followed by food and a Race Night. We hope to have at least one social night including food and entertainment per month and at least one themed Food evening per month ( like the recent curry night )

- Winter League round 3 was played in mild but very windy conditions. This didn't seem to trouble Sam Woodham and Jeremy Taylor who posted a superb 45 points... This is unofficial at present, I'm awaiting the official result from Les. Full results are available on the website.

More news next week....

Happy golfing  
Rob.
