Sunday 24th April - Giles Philips Charity Event x 27 from 12:04 to 13:00

What's been happening?

- The first singles major of the year was played last Sunday. The longer course meant scoring was difficult resulting in a CSS of 75. 35 points or better being a great score! Third place went to James Jones, second to Kieran Ashman and a very deserving winner with 40 points, Cliff Carpenter.

- The over 21 handicap competition, played yesterday in horrible weather was won by new member Dom Klyen with 38 points... A great score in the wind and rain! Well played. Young Aiden Abbott finished second with 37 points and Simon Brandon finished third with 35.

- Andrew our professional has a Lynx Golf demo day next Saturday on the driving range. Lynx golf were a massive brand 20 years ago, the likes of Ernie Els and Fred Couples were Lynx Golf players.... Lynx have started a revival of this golden era and have some nice equipment in the range this season. I've tried it recently and have been very impressed with the results... Book an appointment with Andrew and try it for yourself.... 01525 402269

- We will move back onto the grass tees this weekend. As per last year the tees have been given 15 weeks rest. As the root structure improves, which it is year on year, we hope to reduce the number of weeks spent playing from the mats. Since ground conditions are still changing (heavy frost last night!) If you are playing **social / friendly** golf and would like to help us out, we would love you to play from the mats on the par 3 holes and holes 11 & 12....

- Since play will be from the grass tees next week, the competition will be a qualifier.

- You will be pleased to hear within the next two weeks, the bulk email system used to send this email will be upgraded. For those of you that receive this in a narrow yellow column, please view this weeks through the website.

- The draw for each of this years knockout competitions are on the notice board. Due to a couple of admin errors some players that were give a bye in the first round are now required to play a first round match. Please check the board again at your earliest convenience....

- Thursday nights are becoming a talking point for members! Various dishes, especially the steak are receiving some fabulous feedback. This weeks menu is yet to be finalised, I will send an extra communication on Tuesday in the hope that we tempt a few of you out on a Thursday night.....

- Can I urge members to stop lifting the ball out of the hole using the back of their putter. It ruins the hole edges. If you can't bend down to get the ball out of the hole, buy one of the suckers for the grip end of your putter.

More news next week
