What's Been happening?

- Mark Abbott continued his impressive form this season winning a third major trophy, The Putter, last Sunday. Mark was 3 up with five to play when Ian McMillan his opponent put in a late charge and took the match to the 18th hole, after nervous approach play Mark made an impressive up and down from the side of the green to win the match. Congratulations to both players on reaching the final....

- Thanks to all those that came for dinner on Thursday night, it's gaining momentum and great reviews.... long may it continue!!

- I mentioned it a few weeks ago but a reminder never hurts! a number of members are struggling to book tee times through the new website. The members area is no more, however the Club Latest tab located on the homepage takes you through to all things club related. You can easily access the tee booking site here, along with competition results, competition start times and club news.

- Our Professional, Andrew Coleman played in the national Hickory Golf challenge last Monday. It seems he is suited to this type of golf! finishing 3rd..... well played old boy!!!

- Our first Carvery of the winter season will be served from 13:00 today, please invite the family up to the club, it's very reasonably priced and takes the hassle out of cooking a roast!!!

Every Sunday, booking recommended.

Carvery Only = £8.95 for Adults and £4.95 for U11's

Carvery and a choice of dessert = £11.95 for Adults and £6.95 for U11's
