What's been happening?

-Thank you to Tony Stevenson for his endeavours on the 11th tee, I'm sure you will agree the steps are fantastic...

- Congratulations to Jack Hawksby on winning the October Mid-Week Medal, shooting 68, nett 67.

- The AGM held on Tuesday night was without incident! Please see the notice board for minutes of said meeting. I would like to thank Chris Martin and Steve Woodham for their dedicated service on the management committee over the years. They both officially stepped down on Tuesday night. We therefore welcome Gavin Churchman and David McKears onto the Management committee.

- Our first scratch practice of the winter season was held last Sunday in preparation for the winter foursomes league. Adam Wraight and Kieran Ashman winning on the day... Our first match is at home against JOG next Sunday.

- Winter League results can be found either on the notice board at the club or via the website, click on club latest to find the Winter League tab.

- Please, Please, Please repair your pitch marks, the greens are obviously softer at this time of year and therefore easily marked, the regeneration rate is also much slower. If you can repair yours and one other, it will really help....

- Our bunker regeneration project will commence during late November/early December. We are hoping to complete a further 7 to 10 bunkers. Holes 8, 11 and 13 are seen as priority. If weather and time permit we will also regenerate bunkers on hole 9.

- If members could also remember to take the divot bags onto the course with them please.

More news next week....

Rob.
