

# THE MILLBROOK GOLF CLUB

## Millbrook Matters

---

Dear member

### What's happening this week?

**Tuesday 22nd December** - Seniors from 08:30 to 09:00

**Tuesday 22nd December** - Seniors Christmas Soup & Sandwiches

**Wednesday 23rd December** - Ladies from 09:00 to 09:16

**Friday 25th December** - Christmas Day - Course & Club Closed.

### What's Been Happening

- Night golf returned on Friday night, 26 players braved the dark, armed with a glow stick and glowing balls ( some people had torches!) they attempted to play the 6 hole course in a pairs scramble format....

Some very good scores were returned....

Donna & Duncan Steele and Helen & Paul Masters both returning 15 points, they couldn't be separated so shared 2nd place! The runaway winners were Tony & Sue Sylvester with a fabulous 17 points, well played guys!! Thank you to all those that supported this fun event.

- The Teague swindle held their Christmas Jumper Day on Saturday, (pictured) due to heavy fines levied for non Christmas sweaters, everyone came dressed appropriately...On behalf of the club, thank you for your continued support. Saturdays wouldn't be the same without your terrible behaviour!!!

- The road up to the club received an early Christmas present this week. The contractors will continue the patch work on Monday.

We are aware that the car park requires attention, we have received a number of quotes for various solutions to our problem. To completely level and re-tarmac the car park, the best quote received is circa £45,000, not including the overflow, which is just as bad as the car park if not worse! As a committee we are yet to make a decision on our best, most cost effective solution, until such time we will have the worst areas patched ( as per the drive ) this week.

- Thursday Late Night Kitchen will re-start on the 21st January

- Please remember to book in for the Thali (Indian) night on the 15th January. See Emma to reserve your place.

- We figure that everyone will be fed up of Roast Meat for a few weeks....Therefore the Sunday Carvery will re-commence on the 17th January.

- Remember to book ASAP if you are considering playing between Christmas and new year.

- The club is constantly improving and continues to advance at a healthy pace. This wouldn't be possible without the support of our members, I would therefore like to take this seasonal opportunity to thank you all and wish you and your families a Very Merry Christmas.

- I would also like to thank my team at the club: Emma, Duncan, Chris, John, Rob M, Bob, Janine, Andrew, Nathan, Sarah, Maria and Anne Marie. You all go above and beyond for the good of the club, meaning our small workforce produces a product far greater than it should, well done and thank you.

Merry Christmas

Rob
