## What's been happening?

- Those of you that played at the weekend will have noticed a change of personnel in the kitchen...Our catering franchise team have left us and we will be taking the club catering in house. We will employ a chef and necessary assistants, who alongside Emma and I will help us further improve the food offering to our membership and visitors. Whilst we are in this transition period, Emma, Nathan Bob and I will ensure that service levels remain and food is available at the following times:

Monday - 10:00 to 16:00

Tuesday - 10:00 to 16:00

Wednesday - 10:00 to 16:00 ( later as 9 hole medal begins )

Thursday - 10:00 to 20:00

Friday - 09:00 to 16:00

Saturday - 07:30 to 16:00

Sunday - 07:30 to 16:00

We hope you enjoyed the food offerings this weekend, we will be serving fresh, home cooked meals from now on!! I'd like to thank Emma, Nathan and Bob for going above and beyond during this time.

-The trolley ban has been lifted but please continue to carry if you can. The benefit to ground condition is remarkable and will mean better course condition during Spring and summer...

- We require some more assistance on the course please! A working party is being formed to help us divot the fairways on Wednesday 30th March, Thursday 31st March and Friday 1st April. We hope to divot all the fairways over the three days, any help, even just an hour would be gratefully received...

- Thank you to Alan Reinke, Mark Abbott, Rob Cartwright, Tony Austin, John Beckett and Chris Carr who worked non-stop last Monday helping push sand into the deep verti-drain holes. We wouldn't have completed this task had it not been for your help, thank you....

- Whilst we are a relaxed club, the rules of golf still apply! especially when playing in a competition. The temporary and seasonal general play guidelines, like: leaving the flag in while putting, and not playing from a wrong tee box DO NOT apply during competition. The flag must be attended or out when players are putting on the green and the ball should be played as it lies through the green. Playing in a 5 ball is not allowed, whilst I am only too aware that it happens, permission will not be given for 5 balls from either staff or committee members. If a 5 ball is seen on the course you will be asked to split up.

- We obviously have winter rules to suit the current conditions, these being, pick and place on any closely mown area and relief from a plugged ball. Please familiarise yourself with the rules of golf, especially competition play.

- The steak night on Thursday was successful, once again.... I'll communicate and better advertise the next one!!

Happy golfing

Rob
