## **What's been happening?**

- It's been a pretty quiet week at the club, winter is no longer on its way! It's definitely here....
- Due to warmer temperatures experienced throughout November the green keepers continue to cut all areas of the course. The course looks fantastic and is playing particularly well considering it's November!! In the last two weeks we have had several visitors from other local clubs, South Beds, Aspley Guise, JOG and St Neots golf clubs who have all remarked on the quality of our playing surfaces with particular reference to it being the best presented course they have played for months. Well done Duncan, Chris, Johnny and Rob M.
- Bunkers on holes 8, 11 and 13 are now out of play and should be treated as mandatory GUR. Should your ball finish in one of the bunkers you are entitled to free relief, taken at the nearest point of relief, not nearer the hole. Contrary to popular belief, you DO NOT have to keep the bunker between you and the flag. If your nearest point of relief is to the side of the bunker then that is where you drop.
- Congratulations to Nathan Day, who completed his level 1 coaching assessment this week. Teaching the Millbrook Monsters out in Spain obviously ( definitely ) prepared you for all eventualities!!! No offence Monsters.....
- The Late Night Kitchen on a Thursday is gaining popularity.... I can vouch for it being a very affordable meal out, on average, two courses after members discount costing just over £10....good value I'd say! See you Thursday??

- A slight amendment to last weeks news!!! The quiz night will now be held in January, on the 22nd to be precise..... HOWEVER.... Night Golf is back!! Our December social, will be 7 holes of night golf, fuelled by mulled wine and mince pies with a tasty meal to finish... Sign up with Emma or Rob.

**NIGHT GOLF EVENT TO BE HELD ON:  
FRIDAY 18th DECEMBER**

£12 entry per player which includes glowing balls, mince pies and mulled wine..... Food available following play. See notice board for full details.

- A full calendar of social events and theme evenings will be advertised within the next few weeks.

More news next week  
Wrap up warm  
Rob.
