## **What's been happening?**

- The October stableford, played on the 11th October ( sorry I omitted it from last weeks edition ) was won by Tony Stevenson (Division 1) and Enzo Mongiardi (Division 2) Tony dedicated his win to the 'true rollers'
- Les Tucker won the seniors John Hall Cup. This is the seniors summer knockout. Les beat Peter Whistler in the final..
- Harry Hughes won the last senior major of the year, The Memorial Cup, scoring 40 points.... Harry has been advised that the handicaps committee meet next week!!

- Apologies for the late delivery, again, of my email regarding help on the course...unfortunately, It's out of my control. That said, thank you to Roger Davies, Paul Spires, John Beckett, Tony Bandy, Mike Foxon and Alan Reinke who all gave up their afternoons to effectively push sand around!!! Thank you so much..... It meant we could take advantage of the dry weather and complete the job.

- The first carvery of the winter season was a huge success, thank you for your support.

PLEASE NOTE- Carverys are available every Sunday lunchtime throughout the winter, Please invite family and friends to the club. Priced at £8.95 for one course and £11.95 for two courses it's great value. You also get 10% off when using your bar card....

- The chipping & pitching green is really starting to take shape now. The bunkers around the practice green will be shaped and finished whilst similar bunker work is taking place on the course.

- The curry night on Friday went extremely well, our curry lovers ensured that the evening was a sell out and our catering team didn't disappoint with a traditional Thali meal served with all the trimmings.... A real taste of India....Thank you to all those that supported the evening and well done to our caterers... Following 100% positive feedback we will be running another curry night before Christmas.... watch this space....

### **WINTER RULES ARE NOW IN OPERATION:**

A ball that lies on any closely mown area may be lifted, cleaned and replaced, within one scorecards length, not nearer the hole.

A plugged ball through the green may be lifted, cleaned and dropped, within one club length, not nearer the hole.
