What's been happening

- The Turkey Shoot was hugely successful, thank you to all those that took part. This years champion turkey shooters were John Owen & Pete McCready. Well played guys...

- The seniors held their Christmas lunch in the clubhouse on the 22nd December. Martin Westwood played Santa, handing out the presents, I'm not sure how this event works? all I know is I didn't get any presents? Thank you to the seniors for inviting the staff, much appreciated.

- Mike Baron and friends (the early birdies swindle) held their Christmas Lunch in the clubhouse last week. We appreciate that your group always holds it's Christmas get together at the club and thank you for your continued support.

- The course has received heaps of praise recently, the definition and quality of the playing surfaces has been appreciated by all during November and December.....Well done the green staff.

This is my last Millbook Matters of 2015, The weekly newsletter has proven very popular with both members and visitors, I will therefore continue to bring you club news on a weekly basis throughout 2016. Please remember to send me any funny pictures or tales from the world of Millbrook and I'll try to include them.

I wish you all a healthy and happy 2016...

Hopefully I'll see you on New Years Day for the overland???
