What's been happening at the club this week?

On the course:

- The green keepers have installed a sprinkler system on the practice chipping and putting green. This enables us to re-seed the green and encourage growth. We hope to open the area late spring 2016.
- The electrical fault with the watering system has been fixed.
- General cutting duties dominate the working week.

Around the club:

- Sadly, Andrew Baines our chef will be leaving us during September. Andrew and his team have worked at the club for 16 months. I'm sure you will join me in wishing Andy, Tracey, Kyle and Sarah well for the Future and thanking them for their efforts during this time.
- Congratulations to Craig Elliot and Rob Cartwright for winning their respective divisions in the July Saturday stableford.
- The competitions committee would like to remind members that you are welcome to play at anytime during the day when competing in monthly stableford, monthly strokeplay, over 21 handicap or mid-week medals. We are trying to encourage members to maintain a competitive handicap which is achieved by playing three qualifying competitions during a rolling 12 months. Our majors however, must be pre-entered and randomly drawn by the professional, late entries are accepted up to 24 hours in advance, players cannot withdraw and re-enter. Tee times are usually between 07:30 and 10:00.

- We seem to have more coffee machines than costa at the moment! apologies for any confusion this might have caused. The old downstairs machine will disappear during August, at present we are just using up our supplies. The upstairs machine is fully operational and Emma is currently getting to grips with our new nespresso machine which will serve a proper cup of coffee during bar opening hours.

- The Texas scramble event on Friday is filling up, if you can't make the golf? why not come up for the BBQ and a beer?

Have a great week.....

Rob
