## **What's been happening?**

- I've had terrible trouble with this email system, apologies for the blank emails and late arrival of Millbrook Matters last week. We have signed up to a new mailer system which will hopefully be active for next weeks news.

- The Spring Foursomes, played yesterday in tricky conditions was won on count back by PeterMott and Nick Snelling with 37 points, the pairs better back 9 meant Duncan Steele and PaulKitching finished 2nd with Cliff Carpenter and Clint Ledger finishing 3rd, again on count back from Colin and Josh Mead. Full result can be found on the website.

- The Keech charity day, held on Good Friday, was once again well supported and a fun day for all involved. 52 members and 48 visitors took part enjoying the best of the bank holiday weather. The Millbrook members dominated events once again! Andy Avern-Love winning the mens individual prize, Helen Masters winning the ladies individual prize and The team of Andy AvernLove, John Howlett, Danny Lang and Mike Baron taking the team prize. Well played all.....

- The new path on the first has been in use for a few weeks now. Can I ask that you use said path please. Whilst the path makes walking the slope easier, it was also positioned to help keep trolleys and golfers away from the fringe/approach area. This will enable growth and subsequently better playing surfaces at the top of the hill.

- Winners of club majors throughout 2016 not only get their name on the associated board and trophy they also get a small keepsake and a ticket to the Summer Ball. Your trophy and keepsake will be presented to you on the night of the summer ball.

- Entries for the Knockout Championships close on Thursday this week. Please ensure your name is on the board and money is in the box. If you are struggling to get to the club before then, email or telephone us and we will ensure you are in the draw, payment must then be made at the weekend.
