From 10:00 to 11:00.

### **What's been happening?**

- Work has commenced on the bunkers. Drainage sumps have been added, and the dish shape created ready for the liner. Please treat these bunkers as mandatory GUR. As per last winter, we hope to have the bunkers back in play for late spring.

- Night golf tee times are filling up fast! We have 20 golfers signed up, with a maximum of 32 allowed... Book with Emma or Rob if you wish to play.

- Thursday nights are gaining popularity in the restaurant, thank you to those that joined us last week, I hope to see you all again this week!

- The path to the left of the 1st hole has been introduced in order to stop golfing traffic crossing the approach and fringe, therefore encouraging growth to these heavily trodden areas. I am aware that the temporary path has now become slippery, we will continue to move the path further left to help with ascending the hill, golfers are more than welcome to take the long route, sign posted for buggies.

- Repair work to the driveway and car park will begin late December.
- Congratulations to the scratch foursomes team, keeping the County winter foursomes un-beaten run going with an away victory at The Bedfordshire.
- Unofficial at present (I'm awaiting the official scores from Les) but the Abbotts were up to their old tricks again....+7 in this weeks windy, wet, winter league. Well played guys! I hope you enjoy your new handicaps!! ( it's the annual handicap review on Wednesday night!! )
- News just in..... I'm pleased to report that Andrew and Marina have welcomed Elizabeth Emily Coleman into the world today (Monday) weighing 7 pounds 12oz. All is well.....Congratulations to you both.....Drinks on Andrew??  
Happy Golfing
