### **What's been happening?**

- Our Daily Mail team were in action again last weekend, following another fantastic run in the competition reaching the 8th round ( i think ) we were beaten by a strong side from Birmingham. Thank you to all those involved with the team, you are great ambassadors for our club! A special thanks to Peter Mott who organises the team. Better luck next year....

- Congratulations to Tony Stevenson & Chris Freeman for winning their respective divisions in the Sunday Stableford. Tony and Chris support all competitions at the club and are both often found on the practice area. They are very deserving of a podium finish!!
- The greens were hollow tined last Tuesday / Wednesday, I think you will agree that the team did a fantastic job, the surfaces are already healing and should be back to their best within 10 days.
- The texas scramble social night was well received by all. In line with feedback received we plan to replicate the evening during September, I'll keep you posted on a date..... Congratulations to Mike Barons Bandits who triumphed on the night! Thank you to our wonderful bar manager Emma, for arranging the night.
- Apologies to all those that have experienced problems with the new coffee machine up-stairs, it seems to have a mind of its own! We have an engineer coming out today, Tuesday, if reliability continues to cause issues we will change the machine.

DarrenLeach/Mark Griffiths are Bedfordshire County Fourball Champions. Well played guys...

- Jack Hawksby is Bedfordshire U18 County Champion, Jack birdied his 35th hole and made a solid par on the last hole to secure a two shot victory. Well done Jack...
- I'm sure you will join me in wishing members, Nathan Day, Jack Hawksby, Tom Skinner, Mark Denman, and Donna Steele all the very best of luck next week playing at St Andrews in the eden trophy for men and the strathtyrum trophy for ladies. You can keep track of their progress by visiting: [www.standrews.com](http://www.standrews.com)

More on Sunday.....  
Have a great week
