Vice Captains Day on Sunday should be a fun filled event, all members are welcome to play, Texas scramble in teams of four, shotgun start at 08:30 with a BBQ following play... If you don't have a team but want to play? let us know and we will endeavour to get you a game.

What's been happening this week:

- In the run-up to club championship, our green keepers have worked double shifts almost everyday. This was not something the club or I had asked them to do, it is simply their desire to present the course in the best possible condition for you, the members.

Duncan arranged the demonstration of a greens machine specifically for this week, the new technology on said machine has produced a much better cut and subsequently much better putting surfaces. For those that have mentioned " why cant the course be like this every week" the answer is, It can, but we require more manpower and upgraded equipment. This is very much part of our investment planning and exactly what all the staff and management committee are working toward.

- Andrew Baines our chef and his team are leaving this Wednesday. I hope you will join me in thanking Andrew for his efforts over the past 18 months and wish him all he best for the future.

- Our new catering team start Thursday morning, they are full of fresh ideas and will slowly introduce a new menu over the coming months. Kitchen opening hours will change, enhancing the current offering. We also plan on offering a Sunday Roast, every Sunday and themed evenings throughout the year.

- Now we have our new catering team in place, we can publicise the much anticipated summer ball... As per the diary, The End of Summer Ball takes place on Saturday 3rd October. There will be 100 tickets available. Priced at £45 each. All major trophy winners this year are given a Summer Ball ticket and will be presented with their trophy on the night.

More news next week & Special Club Championship report to follow.

Happy Golfing...
