What's been happening?

- The first round winter league matches were full of tension and surprise! Some big names falling at the first hurdle.... Congratulations to all the those that triumphed and good luck all on Sunday in round 2...
- Thank you to all those members that continued to carry their golf bags after the ban was lifted.. Unfortunately, the trolley ban was re-instated this morning (Monday 8th Feb) Until further notice please carry. We are hoping this will be short lived.....
- Could I remind all members and their guests to repair pitch marks please! An increasing number of marks are being made on a Tuesday, Friday, Saturday and Sunday. Members and guests are the only people on the course! Please repair your own mark and one other. Even the shortest shots cause an indentation this time of year.

- The last two Sundays have seen an increased number of people attending the Sunday carverys. The ladies in the kitchen and Emma at the bar work very hard to create a wonderful lunch and club atmosphere each and every Sunday. Seeing 40+ people enjoying this offering makes their endeavour worthwhile! Thank you for your continued support. See you Sunday??????

- You should have received your subscription reminder through the post last week. If you haven't? it's because the information I have on file is incorrect or you have already paid! If you haven't received your letter, please notify the office.

- The membership survey deadline is this Sunday night. It's not too late to have your say! Please click the link below or ask a member of the team to set up the Ipad next time you are in the clubhouse:
