2017 KJW PRO-AM

Due to scheduling issues, we have had to cancel the Pro-Am for 2017. KJW have committed to sponsoring and hosting an East Region Order of Merit event for 2018, meaning the regions top players will battle it out over two days at The Millbrook. A substantial prize fund will be on offer and the week will culminate in a pro-am event. This offers us a fantastic opportunity to showcase our club both locally and nationally. Competition dates will be released during December, as and when the PGA complete the 2018 schedule.

## The Open 2017

Both Nathan Day and Jack Hawksby were in action at Open Qualifying last Monday, both our guys were drawn to play at Sandy Lodge GC, just south of Watford, which if you haven't played there, is well worth a visit.

It was a proud moment for me, to watch Nathan and Jack perform at such a high level. I remember them both sitting on the 'tears chair' in the shop ( a seat we reserved in the shop for post round tales and tears ) complaining that they can't putt or were never going to get their handicaps down...

I had the pleasure of carrying Nathans bag this year, which was awesome. For anyone who wishes to better understand how the worlds best hit the ball, play a few holes with Nathan... From the tee, he is seriously impressive. We didn't have the best of days or luck ( I blame the caddy) but Nathan learnt heaps from this experience and the success of Jack has only fueled his desire to improve....

Duncan ( the better of the two caddies ) had the bag of young Jack Hawksby, who if you haven't heard! did us all proud by winning the qualifying event with a score of 3 under par. As an amateur, he's trying not to think about the £800 winners cheque he could have won, having said that, something tells me his winners cheques are only just around the corner!

I managed to watch his final four holes and have talked it through with Duncan, it was seriously impressive. Much like watching the best footballers, rugby players or any sporting greats, they always seem more composed, have more time than others and are always part of the action when required. Thats the best analogy I can offer....

Tournament golf works in cycles, you have two weeks of playing ok, two weeks of playing great, two weeks of playing ok ish and two weeks of horrible golf.... It's why even the worlds best don't win every week. That said, the best players learn how to peak when required and I think Jacks getting the hang of this....

Jack is in action today (Tuesday) at Notts GC (Hollinwell) in Final Open Qualifying, this is now a World class golf event. There are some seriously good golfers, who have won an awful lot of money, playing under an awful lot of pressure in the same field. If Jack can maintain his form he will go very close, I'm sure of it. Whatever happens it's another step towards his goal of becoming a professional at the highest level.

## Seniors Section (EGGS)

8 members of The Millbrook EGGS attended the Brampton Park Seniors Open on Monday. Phil Nutley won the longest drive – 297 yards with a three wood! and Bruce Kitchener won the visitors prize with 39 points.

## Comp results:

Apologies to the ladies section, we are having handicapping system issues at the moment, this should get resolved today, but is currently out of our hands. The Mens and Ladies systems are separate and at present the mens system is ok.....

Thank you to all members that have already completed the survey, there's still time to offer your opinion, click on the link below:

## Car Parking

Could we ask all members to park sensibly in the car park, there is enough space for 100 cars if parked with consideration. The most economical use of space is to park at a slight angle (herringbone) to the perimeter and central lines. During really busy periods we are using the large practice ground as an overflow, access is gained near the putting/chipping green. Please do not block this access track.

## Course

- Preferred lies have been lifted, the ball should be played as it lies.
- Can we ask all buggy users to avoid driving them in the long rough please.
- Please use the divot bags provided, growing conditions are great so a seeded divot will re-generate quickly.
