

FLEXIBLE & AFFORDABLE

MEMBERSHIP 2020/21

Flexible Membership provides many golfers with a fair and cost efficient way of belonging to The Millbrook Golf Club.

Flexible Membership is an innovative form of membership first introduced during 2016. It is designed to suit the modern lifestyles of those who's working and family life leaves them with little time to play golf and/or those who cannot justify the full subscription. It is also an ideal membership for those trying golf for the first time or individuals on a low income who cannot commit to the expense of a full cost subscription.

Flexible membership will give golfers the full range of facilities and experiences available only to members of The Millbrook. It is a membership for those who want to be fully involved with their Golf Club, friendly games at the weekend, competition golf, or a relaxing 9 holes at the end of the day followed by a drink with like-minded people. No longer need they be outcasts paying the odd green fee. They can come to The Millbrook as members with the privileges of official handicaps, access to and the support of their Club, a social life and a discounted bar card.

A Flexible member receives a swipe card containing their 400 golf credits. The card will be topped up with credits when they make their first annual payment of £450.00

Each time they play a number of credits are deducted according to the time of day and day of the week (see chart below). Members running low on credits

can top-up a maximum of £100 giving 100 extra credits and just keep on playing.

The number of rounds that can be played with Flexible membership depends on when they are played.

The membership card must be shown in the Pro Shop or Bar every time a round is played. The Club keeps a record of the credits used. Unused credits remain valid for a further year beyond a normal renewal date providing membership is continuous.

Paying for refreshments from your card entitles you to a 20% discount on drink and 10% on food from the menu.

Credit reduction table below:

SATURDAY - SUNDAY & BANK HOLIDAYS		MONDAY to FRIDAY	
07:00 to 11:00	25 Credits	07:00 to 11:00	17 Credits

The Millbrook Golf Club is CASC registered and is therefore dedicated to offering golf to all. Any individual that can demonstrate they are on a low income are welcome to become Flexible members of the club. We ask that you pay the full fee of £450.00 plus the top up fee of £100 at a convenient time during the year, entitling you to a full 500 credits.

You are then entitled to play once a week at any time and on any day (subject to booking and availability in-line with all member categories) using 9 credits each time you play. You are welcome to play multiple times during the week but only once per weekend. Credits are deducted each time you play.

Equipment and clothing if required can be hired free of charge from the professional.
